

Cumbria Central Heating Fund

Grants to install central heating in your home

Imagine having a centrally heated home, that costs less to run...

Cumbria Central Heating Fund

The Cumbria Central Heating Fund is an initiative funded by the Department for Energy and Climate Change which is delivered by Allerdale Borough Council, Carlisle City Council, Eden District Council, South Lakeland District Council and npower. Our aim is to help up to 250 households stay warm at home for less by installing a gas or oil fuelled central heating system for **FREE**.

The Central heating Fund is limited and will be issued on a first come, first served basis.

Do I qualify for a FREE central heating system?

Your home must not already have a mains gas connection or an existing central heating system fuelled by oil or LPG. If you have a solid fuel back boiler with a partial central heating system (i.e. one or more rooms do not have radiators) or have storage heaters with manual charge controls, you may still qualify.

You must be aged 18 or over and either own your home or from a private landlord.

You must meet one of the below sets of eligibility criteria.

- Receive certain benefits.

OR

- Have an annual household income below £15,600 and live in a home built before 1920.

If you think you may be eligible, contact us for further details and an application form.

Better insulation can also help

If your home is under insulated, this scheme may also help you with up to 100% grants for cavity wall insulation and loft insulation.

Uninsulated loft?

As long as we can get to it, we can install 270mm of insulation, for **FREE**.

Unfilled cavity walls?

If your property is suitable, we will insulated your walls, for **FREE**.

All materials and methods are certified and guaranteed for 25 years by the Cavity Insulation Guarantee Agency.

Terms and conditions

Eligibility: Cumbria Central Heating Fund and ECO offers are open to homeowners and people renting from private landlords in Allerdale, Carlisle, Eden and South Lakeland who meet the Central Heating Fund eligibility criteria.

They are subject to availability, a survey, and government legislation.

Applying to the Central Heating Fund does not guarantee that you will be allocated funds and receive a central heating system. All delivery partners reserve the right to cancel applications at any stage of the application and installation process.
